**48. Read the text and mark the correct answer.**

My friend Mike has different interests but most of all he likes to read books. His room is full of Georgian and English books. He has recently started to read books on the Internet too. He says that he feels much more comfortable when he is reading an English book on the Internet as, while reading, he can find the meaning of new words in the online dictionary and this usually takes less time.

Mike enjoys reading books online because

- α) he has a good computer.
  - β) he doesn't have ordinary books.
  - γ) online books are about adventures.
  - δ) this saves his time.
-
